1,614 PEOPLE
 EXPERIENCED HEALING ARTS,

a program that provides therapeutic music and artwork to reduce the stress and anxiety of hospital visits.

"One family heard me playing, and asked me to play outside their mother's room. It was a roomful of loved ones, and they asked for Frank Sinatra era music. I started with "Moon River" and there were tears flowing. Later, a daughter told me their mom used to sing that to them all through the years growing up; it was too perfect."
